

10th May, 2026

To Whom It May Concern,

This is to certify that Ms. Bibisha Basnet successfully completed her internship at [Nexalaris Tech Pvt. Ltd.](#) from 12 January 2026 to 12 April 2026 as a "Graphic Design and AI Integration Intern" and Team Lead of Team Phoenix.

During her internship period, she worked on multiple projects related to graphic design, UI/UX planning, design systems, and AI-integrated product workflows. She demonstrated strong creative ability, leadership skills, and professional responsibility throughout the internship.

Her key responsibilities and contributions included:

- Leading and coordinating Team Phoenix during collaborative project execution.
- Managing communication between the team and company leadership.
- Creating and organizing reusable design systems using Figma.
- Designing promotional and branding materials for product campaigns.
- Developing mobile and desktop wireframes for AI-based applications.
- Delegating tasks, maintaining workflow alignment, and ensuring timely project completion.
- Supporting collaborative product development and design planning activities.

During her internship, Ms. Basnet showed excellent leadership potential, communication skills, and problem-solving ability. She handled team coordination responsibilities effectively while also contributing actively to technical and creative tasks. Her dedication, adaptability, and ability to manage workflow challenges made her a valuable member of the organization.

We found her to be sincere, hardworking, professional, and capable of working efficiently in a collaborative environment. Her contributions to the team and projects were highly appreciated.

We wish her continued success in her future academic and professional endeavors.

Sincerely,

Bibek Kumar Shah
CEO, CTO and Founder
